GROUP X CLASS DESCRIPTIONS

Ideal for anyone and everyone, BODYFLOW® is the yoga-based class that will improve your mind, your body and your life. During BODYFLOW an inspired soundtrack plays as you bend and stretch through a series of simple yoga moves and embrace elements of Tai Chi and Pilates. Breathing control is a part of all the exercises, and instructors will always provide options for those just getting started. You'll strengthen your entire body and leave the class feeling calm and centered and happy.

The original barbell class that strengthens your entire body. This workout challenges all your major muscle groups by using the best weight-room exercises like squats, presses, lifts and curls.

Mix it up in this non-stop cardio dance class with Hindi, Arabic, American, African, and Latin beats. The choreography includes body sculpting and interval training in a combination of fast and slow rhythms.

Burn calories and blast fat! TurboKICK mixes kickboxing and simple dance moves with music that makes you want to move.

Silver Sneakers classes are designed to increase strength, balance & flexibility. Light hand weights, bands and balls are incorporated into the class to achieve a full body workout. A chair is also provided for seated and/or standing support. All levels welcome!

CARDIO SCULPT-This class alternates high energy cardio moves with strength moves using free weights & body weight. This is a full body workout you are sure to leave sweaty!

PILATES PLUS-A mind/body blend of Tai Chi, Yoga and Pilates designed to increase flexibility, balance and strength. Relaxation to finish the class.

STEP INTERVAL-A heart pumping cardio class using the step accompanied by body sculpting using the barbell or hand weights.

TOTAL BODY CIRCUIT- is a dynamic class set up with stations that move through a balanced mixture of cardio and weight resistance while utilizing all major muscle groups. This class is for all fitness levels.

YOGA-Each instructor will take you through their own total body workout designed to tone and sculpt every major muscle group. Move through sun salutations and other yoga postures to add extra length, strength and depth in each pose.
