## CLASS DESCRIPTION

**BodyShred** – interval training combining a 3-2-1 training format. 3 min of strength, 2 min of cardio, 1 min of core work.

**Butts and Guts** – This class is just what it sounds like – you will work your gut and your butt through various exercises. Suitable for all skill levels

**Core De Force** - Mixed martial arts-inspired workouts designed to slash inches off your waist, blast belly fat, and sculpt total-body definition—no equipment needed

**HIIT** –“High Intensity Interval Training” Cardio intervals for given amounts of time with rest in between each interval. Don’t let the name scare you! Any fitness level welcome. Instructor will show modifications for all moves.

**Insanity** - Max interval training has you work as hard as you can for 3-minute intervals, with 30-second periods of rest in between.

**Kickboxing** - Beginners and athletes alike will build stamina, improve coordination/flexibility, and burn calories as you build lean muscle with this fun and challenging workout.

**P90x** - workouts that use resistance and body-weight training, cardio, plyometrics, ab work, and yoga

**REFIT** combines powerful dance movements with positive music that will change your body, but your body is only the beginning. Bottom line: REFIT is a great dance workout that you’ll feel great about

**Resist** - workouts that use resistance and body-weight training. Every muscle group will be targeted for a full body workout.

**Silver Sneakers** Silver Sneakers classes are designed to increase strength, balance & flexibility. Light hand weights, bands and balls are incorporated into the class to achieve a full body workout. A chair is also provided for seated and/or standing support. All levels welcome!

**Total Body Express** Full body workout in just 30 minutes. Strength workout that includes working multiple muscle groups at once.

**Spinning** – Spinning classes offer a variety of rides, movements, coaching and motivation that keep riders safe, excited and engaged.

**Zumba** Mix it up in this non-stop cardio dance class with Hindi, Arabic, American, African, and Latin beats. The choreography includes body sculpting and interval training in a combination of fast and slow rhythms

**Pilates/Barre**- combo of ballet repertoire movements using the chair for core, balance, flexibility and leg/glut strength and pilates movements designed to foster movements from the core, joint stability and flexibility, and balanced body strength.
